### **SICUREZZA: APPOINTMENT CONFIRMED FOR NOVEMBER 2021 POSTPONED BY ONE WEEK**

*Milan, 17 December 2020* - Fiera Milano, after reorganising its exhibition calendar for next year, has scheduled a new date for **SICUREZZA**, the reference event in Europe for security and fire-fighting, which will be postponed by just one week; it will in fact take place from **23 to 25 November 2021**, again at the same time as **Smart Building Expo**.

The exhibition formula remains unchanged, aimed at encouraging meetings between manufacturers and buyers to monitor the evolution of a very interesting and constantly changing market. Fiera Milano's objective is to consolidate the event as the only international appointment for its sector in Italy and to be not only a showcase for innovation, but also an essential training opportunity for all those involved.

See you from 23 to 25 November 2021 at Fiera Milano.
